All:

Attached is the final version of the SOP for air sampling and analysis of 4-MCHM.
We now have a sampling and analyses method and an inhalation screening value.

(Thank you to Raj for method development and to Hoang for providing review!)

Jack,
Please find attached SOP for MCHM air sampling and analysis. Please forward the SOP to the MCHM group. If there are any questions, Please let me know.
Have a wonderful evening.
Thanks.
